

# ANNUAL REPORT 2019-2020

## Message from the desk of the President and Secretary, BVHA:

It has been our immense pleasure to share with all the professional journey of BVHA and glad to inform that we have ended yet another successful year with satisfactory results. Despite the increasingly challenging environment, we continue to grow and make ourselves available for the welfare of the marginalized community in the society. This would not have been possible without all of your support and cooperation. At BVHA, our members as well as various network partners are passionate about making a measurable impact in everything we do. It is the power of our people, our unique culture and innovative approach, which helps us deliver by ensuring for enduring desired results. BVHA celebrates and empowers the individuality of each of its members and network partners and their unique personalities that have led to the success we have reached today. At BVHA, we believe that only when you are empowered with freedom and opportunity, one can rise above the task at hand and take complete ownership to make a difference in the society. BVHA Management believes that need based strategic planning by involving various stakeholders in decision making process democratically with effective and timely implementation of programmes helps in achieving the desired organisational goal.

BVHA Management always welcomes new ideas, approach, innovations to strengthen its better functioning to address the health and social issues of the last person of the community. BVHA believes in joint and collaborative actions by increasing and strengthening its network effort to make any programme model for others. BVHA Management is indebted to its member organisations, network partner organisations, Government Department, various Donor agencies, UN Agencies, various academicians, various other network agencies and individuals for their guidance and support with philanthropic approach to BVHA and its initiatives. BVHA Management assures best outcome with optimal uses of resources.

RAM SHANKAR SHARMA (SECRETARY, BVHA)

DR. MRIDUL KUMAR SAHANI (PRESIDENT, BVHA)

#### Massage from Executive Director Desk;

It's a matter for great privilege for us to present the annual report of BVHA for the financial year 2019-20 on the eve of 52<sup>nd</sup> of AGBM.

This annual report, deeply appreciates the insights and dedications of the members and network partners of the B.V.H.A. who are spread over every corners of the state. The association is proud of the its dedicated employees involved as human resources focussing to complete all the task assignment by the management to address the health and social issues of the marginalized community. I would like to invite all of you to give feedback and suggestions to improve our work with quality output.

Since inception, our organization is committed for building a prosperous and inclusive state through its various initiatives and programmes in the areas of rural development, healthcare, education, disaster response women empowerment, child marriage etc.

During the financial year, BVHA has continued to implement various programs and issues related to –Maternal Health, Malnutrition, Infant and Child Health and Growth Monitoring, Maternal Death Review, Sexual and Reproductive Health Rights, Routine Immunization, Livelihood Promotion, Environment and Climate preservation, Child Marriage, Arsenic Mitigation, Child Protection, Tobacco Hazards, Personal Hygiene and Sanitation, Gender participation, Eye care and protection in rural as well as urban areas of Patna district, Domestic Violence, Human Trafficking etc. In addition to that, BVHA has also raised its voice for the rights of the marginalized communities of Bihar by joining hands with Health Watch Forum, Wada Na Toda Abhiyan, Collective Coalition against Human Trafficking (CCHT), Alliance for Immunization and Health (AiH), Jan Swasthya Abhiyaan and other similar forums like VISWASH Network, ARC, BIAG etc.

BVHA is indebted to various development agencies whose continuous support and supportive supervision have helped it in achieving its set target for the current financial year. Hence, in this regard, BVHA would like to extend its special thanks to the State Health Society Bihar, MOH&FW-GOI, Department of ICDS-GOB, Department of Panchayati Raj-GOB, Women and Child Development Corporation-GOB, Directorate of Health Services-GOB, Regional office of MOH&FW, GOI, the Unicef-Bihar, SIMAVI-The Netherlands, KKS-Germany, Misereor-Germany, Amplifychange Network Grants, Indo Global Social Service Society, IPAS Development Foundation, Alliance for Immunization and Health, TBZ, S. C. Johnson Company Ltd, Alkem Laboratories Pvt. Limited, Sightsavers, Arohan Financial Services, Fullerton India Credit Cooperative Limited, Centre for Health and Social Justice, CCHT, The Union etc.

BVHA believes that every family should have the right for affordable and accessible quality healthcare. Under its outreach programme and with the support of The Hans Foundation, Medical Mobile Unit provides affordable primary and preventive health-care to the underprivileged communities of Maner block of Patna. BVHA is very thankful to Voluntary Health Association of India (VHAI) and other State Voluntary Health Association of India for their strong support; time to time inspiration and sharing of updated information and linkages development. BVHA extends its thanks to VANI and Credibility Alliance for updating on legal compliances. BVHA is also grateful to World Vision India, Caritas India, Aid-Et-Action, CCHT, Jan Jagran Sansthan, Action Aid Association, Oxfam India, Plan India, Save the Children and other various agencies to support BVHA by their regular booking for training programmes/seminars/workshop at BVHA.

As we are gearing up to enter the next decade, I would like to acknowledge and thank BVHA Management for their guidance, supervision, feedback and valuable suggestions time to time. Besides that I would also like to thank each and every member of BVHA members of Bihar and Jharkhand, BVHA staff members for their selfless support and contribution. BVHA's achievement is a result of the commitment and dedication of our entire team and the partner organizations that we work with. We feel our pleasure to thank all our consultants, Programme Advisory Committee Members, BVHA Auditor for their technical guidance and support. It gives us immense pleasure to thank the Arch Bishop of Bihar, Bishop of Buxar Diocese and other respected Bishops and Diocesan Director for their cooperation and support to BVHA as and when required.

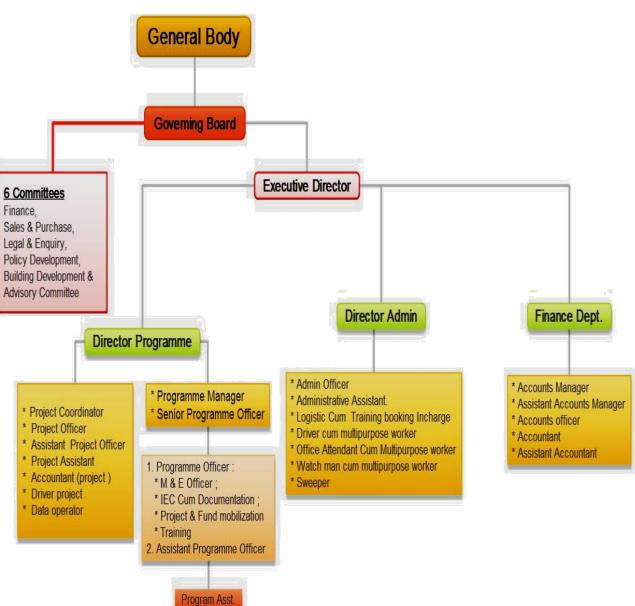

I am counting on your faith, trust and support as we move forward together in our journey towards empowering marginalized communities and heralding a great future that we owe to our coming generations. We expect same type support, guidance, feedback and cooperation from all in future also to serve the community as per the need and demand.

SWAPAN MAZUMDER (EXECUTIVE DIRECTOR-BVHA)

## **BRIEF ABOUT BIHAR VOLUNTARY HEALTH ASSOCIATION (BVHA)**

BVHA was established to create a network of voluntary organizations, health centres dispensaries and charitable hospitals to enable them and capacitate them on various health and its related issues with up dated information to improve their work performance so that they can efficiently and effectively deliver the required health services in the community

## **Organogram of BVHA:**

At present, BVHA has 150 member organizations (Health Centres, Dispensaries, Charitable Hospitals and Voluntary Organizations engaged in Health & Health related development activities) and about another 300 voluntary Organizations are associated with BVHA through various programs and Alliances.

## **Network Membership of BVHA:**

BVHA is the full member of the following National & International Networks:

- Voluntary Health Association of India (VHAI), New Delhi.
- Voluntary Action Network of India (VANI), New Delhi.
- Credibility Alliance, New Delhi.
- BVHA is a National Governing Board member of SRHR Alliance India as well as secretariat of SRHR Alliance India.
- Member of Girls not Bride Alliance.
- Member of More than Bride Alliance.
- Member of Jan Swasthya Abiyan (People's Health Movements).
- Member of Sanjha Prayas Network run by Oxfam India.
- Secretariat cum member of Health watch forum Bihar.
- Secretariat cum member of Wada Na TodoAbhiyan -Bihar.
- Secretariat cum Founder Member of Alliance for Immunization and Health (AiH), Bihar.
- Member of VISWASH Network
- BVHA is member of ARC.
- Secretariat cum Member of Gender Alliance -Bihar.
- Member of CCHT (Collective Coalition against Human Trafficking).
- BVHA is the member of various Govt. formed committees at State level as well at District level.

## **Organizational Management:**

BVHA's power is vested in its General Body which comprises of 150 member organizations across the state of Bihar. The General Body meetings are being held on yearly basis and if required it can be held more than one time as per BVHA's byelaws. The General Body approves the Annual Activities Report, Audit Report, annual Budget, Auditor's appointment of BVHA and also takes policy decisions and give suggestions to improve the BVHA's program and functioning.

Among General Body members, 11 members are being elected as Governing Board Members of BVHA and their tenure are for 2 years which can be extended up to next 2 years. The Governing Board meetings are held at least once in a quarter to review the quarterly progress of the activities of BVHA & also take policy decision in all matters. The Governing Board guides and monitors the programs and functioning of BVHA on regular basis.

The day to day program management and administration is a responsibility of the Executive Director of BVHA. He is assisted by Director Program and Director Admin with full participation of core program team and project team to implement the programs within time frame.

Gender is one of the major concerns of BVHA's management and hence around 50% of the Governing Board members are females. Besides this, there are other standing committees to support, guide and recommends for effective functioning of BVHA are as follows:

## BVHA's strategies can be divided into 4 Broad categories:

## **Organizational Strategies:**

- Support to Civil Society Organizations(CSOs)
- Networking
- Creating Enabling Environment
- Emergency Disaster Relief Work.

### (i) Support to CSOs:

Since inception, BVHA's prime work is to provide continuous support to all its network members by conducting:

**Capacity building of CSO personnel:** BVHA's prime focus is to capacitate the personnel involved in the organization such as senior management personnel, midline project and management staff and field level staff on various public health issues, project formulation, monitoring, NGOs management, organizational development etc. as per their need and requirements. BVHA's expert training team are also being hired by other organizations on request basis.

**Assist in Project Proposal Formulation:** As large number of CSOs are grass- root organizations having very little exposure and capabilities to formulate project proposals as per present proposal development trends. So BVHA is assisting them in development of proposal. BVHA also supports them in different techniques of data gathering, data analysis and report preparation as per their need.

**Development of Communication Materials (IEC)**: BVHA has expertise in development of various Communication Materials. As BVHA has good liaison with Govt. offices and also networking with other development actors, BVHA procures other communication materials from them as per the need of member organizations.

**Knowledge and Information Dissemination**: As most of the network members are from remote areas and have little access to current information about different Govt. orders / notifications related to NGO management, statutory compliances, foreign contribution, Niti Aayog etc. So as when such circulars come from concerned Govt. Dept., BVHA circulates such messages to its network organizations and also supports to them to comply on it. BVHA also publishes quarterly Newsletters covering relevant information on various statuary / legal compliances of CSOs and health and development related information, case studies of network organizations to showcase their achievements.

(ii) Networking: BVHA is a largest and oldest health network in Bihar. The main objective of Networking is to provide synergic strength to the network of CSOs working in the health & related sector to act as a united pressure group for proper implementation of health programs & policies as well as to bring positive changes at the local, district, regional & state level. In Bihar, there are 9 Divisions and hence BVHA has 9 Regional Forums for decentralizing the BVHA's activities and also respond more to the regional needs & also focusing on major health issues of state.

BVHA is also part of various networks and Alliances and BVHA acts as secretariat of some of such Alliances.

- (i) <u>Primary level</u>: It is at the community level where BVHA works to promote preventive health measures and also to gather evidences/information for further actions. It develops community pressure groups to demand their rights and entitlements.
- (ii) <u>Secondary Level</u>: It is at the District level where BVHA is in touch with policy implementers and produces evidences/information for better service delivery.
- (iii) <u>Tertiary level</u>: It is at the State and National Level where BVHA tries to convince the policymakers and policy implementers related to any gaps in service delivery, supply, policy implementation, exclusion etc. Hence BVHA works in a more professional way to collect and analyze evidence-based information with proper strategic thinking, skills and persistence. CSO network of BVHA helps in evidence gathering with required information.

#### (iv) Emergency Disaster Relief Work:

Bihar is India's most flood-prone State, with 76% of the population in the North Bihar living under the recurring threat of flood devastation. Floods in Bihar are recurring disaster which on an annual basis destroys thousands of human lives apart from livestock and assets worth millions. Hence BVHA tries to work in Disaster in 3 ways – Disaster Risk Reduction, Immediate Disaster Response and Post Disaster Rehabilitation work. BVHA does the relief works directly or with support of BVHA's network organizations

## **Implementation Strategy of BVHA Programs:**

BVHA Generally implement its projects / programs mainly through 2 ways – Direct Intervention and another is through Network Organizations.

#### **Direct Interventions**:

In this, BVHA directly implements program / project activities through its own personnel.

#### **Indirect Interventions:**

As BVHA is network organization, hence BVHA tries to implement most of its projects through its network organizations. A proper contract is done with the concerned partner organizations as per the project deliverables. BVHA provides rigorous training to the project team members of the project partner organizations on subject issues and project cycle, handhold support to the project team at project areas, regular review of the project to gauge the progress and also do the corrective measures as per the monitoring findings of BVHA.

#### **Monitoring and Evaluation:**

In both the implementation processes, BVHA management team do the regular periodic monitoring and evaluation work to make the project successful. Time to time 3<sup>rd</sup> party evaluation is also done wherever required.

#### Liaison with Govt. Departments and Other Agencies:

It is an integral part of most of the project/program interventions. From the beginning of any project/program, BVHA tries to make a good liaison with Govt. stakeholders and other similar agencies for time to time progress sharing and also on the identified gaps and challenges for drawing their attentions as well as ensuring their support. BVHA also capacitates its member / partner organizations to establish better liaison with Govt. stakeholders.

#### **Community as First Priority:**

For any project/program interventions, focus has given to most neglected and marginalized communities for their better access of their rights and entitlements. Strengthening the Community based institutions like SHGs, Panchayati Raj, youth club/groups, mothers groups, school management committees, Child Protection Committees etc. are one of the important component under community mobilization.

## **Organizational Infrastructure:**

Bihar Voluntary Health Association has its own 3 storied building on its own land with all modest & modern facilities. Well Equipped office with Internet, Wi-Fi and necessary furniture and fixture. It has its own vehicles (One Ambulance, One 4 wheeler jeep, motorbikes and scooties) for travel. 3 LCD Projectors, desktops and laptops, digital cameras, scanners, printers, photocopier, Television etc.

BVHA has a big training hall and one medium hall with all required facilities – LCD, Audio system, chairs and tables. The big hall have sitting capacity of 80 persons (in a theatre style) and30personsinmediumroom.BVHA has facility to provide accommodation of 60 persons in dormitory style. Also two AC Guest rooms are available with attached washrooms.

### **News Letter Publication:**

Bihar Voluntary Health Association has been publishing newsletter on quarterly basis and being circulated among the network and non-associate members. The newsletter contains information in regards to preventive and curative measures of vector and water borne disease, eye problem and others health related issues. It also contains new Govt. guidelines, notification from concerned dept. for better NGO management.

#### Information, Education and Communication Material development:

The foundation of Bihar Voluntary Health Association laid emphasis to reach the unreached people for betterment of health through network members in all 38 districts of Bihar. The grass roots organizations are the members of BVHA, who have the need of IEC materials support for the execution of community based project. Bihar Voluntary Health Association has developed various forms of IEC Materials and given to the various stakeholders as per the demand and requirement.

#### Internship:

There are various institutions in India, who give diploma or degree in Social development to the students after completion of two years course. After one year, the students are being sent to the various organizations for dissertation work. The students spend 30-45 days at the Organization and do research work. This year 4 students from Assam and Bihar have done their internship at BVHA.

#### Network:

Networking is one of the major activities of BVHA. During the year, BVHA was associated with various networks and did try to create enabling environment on different issues related to health like services available for maternal health, routine immunization, youth friendly health services, safe abortion services, family planning etc at the Govt. facilities, access to free diagnosis and free medicines, availability of safe abortion services at Block level PHC, Adolescent friendly health clinics etc. During the year, BVHA has make network with Adolescent Reproductive Choice (ARC by PFI), Sanjha Prayas for Safe Abortion (Ipas Development Foundation) and Coalition Against Child and Human Trafficking (CCHT) for trafficking issues, JSY (Jan Swasthya Abhiyan) for free diagnosis and medicine, Health watch forum Bihar for maternal health services and Family planning services and supplies etc.

## MORE THAN BRIDES ALLIANCE (MTBA)

More than Brides Alliance - no child's play empowers young people to decide if and when to get married and to make informed choices about their sexual and reproductive health rights. We are implementing MTBA with the support of Simavi, The Netherlands in 34 villages across 2 blocks of 2 districts i: e West and East Champaran of Bihar. In East Champaran, BVHA is operating directly in 3 panchayats and 13 villages while in West Champaran, BVHA is operating in 4

panchayats and 21 villages through their implementing partners FSS.

### **PHOTOGRAPHS**

## **Anaemia Prevention Project**

BVHA has initiated a focused initiative to improve nutritional status and reduction of anaemia among women and adolescent girls in 6 operational villages of Forbesganj Block in Araria district of Bihar with the support of Fullerton India Credit Co. Ltd. Under the project following activities have been completed during the financial year as mentioned below:

- Online Baseline Questionnaire developed and tested. The data collected through mobile App.
- Training of staff on online data collection tools and how to conduct baseline.
- Capacity Building of Staff on Malnutrition, Anaemia of adolescent girls and women and how these directly impacted their lives.
- Data collection in the target villages and linkages development with service providers and other support system.

## Achievements:

- Project Personnel capacitated on the subject Malnutrition, Anaemia and various govt. schemes for adolescent girls and women especially pregnant and lactating women.
- Baseline have been started and now putting focus for selection of most marginalized communities as direct beneficiaries.

## PANKHI (One call can set you free)

Globally, 15-71% of women suffer physical, psychological or sexual intimate partner violence. Studies shows that 33-60% of Indian women have faced spousal violence and 28% of ever-married urban women have experienced physical violence in the past years. Many time the cases remain unreported by the aggrieved women as they think that it's okay for their partner to slap them. In Bihar 43.2% married women have been assaulted by their partners as per NFHS-4 data.

With a goal to create awareness regarding domestic violence and the acts in in Patna slums, BVHA has started a project namely "PANKHI", supported by TBZ, Mumbai.

Under PANKHI project it is planned to provide counselling and rehabilitation facilities to the women victims of domestic violence through a central helpline (PANKHI) counselling and face-to-face counselling services in accordance with The Protection of Women from Domestic Violence Act, 2005. Create awareness among the community about gender and sexual based violence through outreach programs in schools, anganwadi centers and with corporates.

## **ACTIVITIES**

During the financial year, BVHA has counselled a total number of 83 community women of urban areas pf Patna district. 2 school awareness programmes conducted, 123 sessions at community level taken on gender, types of violence, laws and whom to reach out if such violence takes place.

#### Success story:

Name- Mamta Deviln January Ms. Mamta Devi came to BVHA counselling center, she was being tortured and threatened by her in-laws inclusively (mother-in-law and brother-in-law). She along with her young daughters where beaten up by them in order to get evict her from the house though his husband supports her but many time he used to be helpless. She was even threatened with the gun. During the session we counseled her and briefed her about the laws and penalty so at first we thought to talk to the abuser so our field counsellor tried to talk to them and know there problem but they acted the same way. Next time when our field counsellor went to that area she heard that they are going to have Panchayat meeting and during the meeting she informed the panchayat members about it the abuser even tried to take out his gun and the very moment the people protested against him and threatened him. Now her in-laws are silent and not abusing or torturing her.

## "AMRITA DRISHTI"URBAN Eye Health Project

This project is being operated on collaborative basis between Sightsavers, an international organization based in UK and BVHA , Patna the local implementing partner.

The above mentioned project Urban Eye Health Initiative called Amrita Drishti to provide services to the population covered by the 6 urban PHCs in Patna. The goal of Amrita Drishti is to improve the eye health of urban poor by increasing awareness level, building capacity building of health workers (Urban ASHAs), community groups such as Mahila Arogya Samiti(MAS), and providing primary eye health services in the urban PHCs pf Patna Town. The purpose of this project is to reduce the prevalence of blindness from the current level of 1.4% to 0.3% till 2020.

- Total screening by 6 community mobilisers-31753
- Total referred by 6 community mobilisers-12231
- Total refracted by optometrist-2302
- Total Surgery(Cataract free of cost) Male-479, Female-756

## **Right to be a Girl Project**

Child marriage is a curse in our society. It is a violation of child rights, it creates a blockage among the young people to access their liberty. Young people both girls and boys get affected through early marriage but girls has to face more challenges. Since childhood it is taught girls shouldn't speak, do as parents say, you cannot question them and it is widely accepted people desire for boys over girls. Right to be girl project enables the young girls to fight against forced child marriage.

It is being implemented in 6 villages of Raxaul in East Champaran district, Bihar covering 1137 young people and empowering to raise their voices against child marriage.

Major activities:

- There are total 60 groups out of which 24 are boys group and 36 girls group with total 1137 young people.
- Two Nukkad Natak (Street Play) groups developed comprising 16 girls in each.
- 67 community meetings held with 1327 target young people..
- Sensitized 31 PRI with 73 participants on child marriage and the mitigation of such act.
- 24 boys group in which they are sensitized on gender and trying to break their old concept of gender and associated norms.
- 6 CPC's were provided with orientation and training on their roles and responsibilities.

## **Collective Coalition against Human Trafficking (CCHT)**

CCHT is a state level coalition of Civil Society Organisations engaged in combating human trafficking issues in Bihar and promotes child protection. There is a state level committee comprising of seven organization. Besides that there are District CCHT Core committees in all the districts of Bihar. Under the functional structure of CCHT, one organization has been identified as secretariat to function as state, divisional and district coordinating offices to coordinate for smooth coordination. In this regard BVHA is secretariat for Patna division. Following activities have been conducted during the year 2019-20 under Patna division and also participation of CCHT Core Committee members/ Conveners of Patna division as mentioned below:

- 1. Regular quarterly meetings of CCHT Core Committee of six districts of Patna Division
- 2. A one day Public meeting was organized by CCHT and Kailash Satyarthy Children Foundation jointly to initiate public dialogue and launch Pledge Campaign on Rape Free India. The first meeting was organized at BVHA auditorium on 6th April 2019.
- 3. One day training on Combating Human Trafficking-Post Disaster was jointly organized by CCHT and IJM at BVHA auditorium on September 11, 2019.
- 4. Orientation of Core Committee Members of Patna division was conducted.
- 5. One District level workshop organized by each CCHT District Committee members of all the 6 districts of Patna Division.
- 6. One to one meeting of district Core Committee Members with various stakeholders in 6 districts of Patna Division to strengthen the district and block CPCs, for activation of Astitwa etc.
- 7. Campaigns were organized for Pledge signing by the contesting leaders for MP election in 6 constituencies by the District level CCHT Core Committee Members of Patna Division.
- 8. CCHT Quarterly Strategic Planning Meeting was organized on 7th August, 2019 at Hotel Corporate Inn, Patliputra Colony, Patna in which all divisional Conveners took part.
- 9. Meeting with state Convener along with CCHT Patna District Core Committee meeting was held at BVHA to finalize the action points for Patna district.
- 10. World Vision was organized for Patna district joint activities.
- 11. With the support of Kailash Satyarthi Children Foundation and CCHT, a one day Peoples' Hearing was organized at Bihta for Patna district on 24th December 2019 and at Sasaram for Rohtas district on 30th December 2020. The theme of the event was Child Trafficking Free India. More than 300 people attended the programme in each place.
- 12. A one day CCHT review meeting was organized at Sakhi campus, Madhubani on 11.1.2020.

## **Arsenic Mitigation Project**

With the support of Misereor, Germany, BVHA had been implemented Arsenic mitigation project for empowering communities to take preventive measure against Arsenic contaminated drinking water in Simari block of Buxar district during November 2017 to October 2020.

The project aims to improve availability and accessibility of the Arsenic free safe drinking water among 7000 families/ Households (Direct Beneficiaries) and to strengthened PRI members, Self-help groups of women, Village youth groups and other stakeholders to take initiatives for safe potable water and able to put issue in the agenda in Gram Sabha. Also activation of Concerned Departments-Government PHED, Education, Health and Appropriate Authorities through evidence based advocacy.

Major Activities:

- In 10 Panchayats, 60 Gram Sabha meetings were conducted to raise the issue in Gram Sabha and its action plan.
- ASHA, ANM, AWW were given proper orientation
- School Sensitization Program
- Water Testing:10 villages. About 400 water samples were collected and tested. Water testing results were shared to the community not to use the water for consumption.Sensitization meeting VHSNC at Panchayat level, the report was also discussed and tried to find the alternative water sources.
- Suchna Rath message deliberation on Arsenic Mitigation in 30 villages
- organized Jan Samwad in the operational area.

#### **CHALLENGES:**

- Govt. has less priority to provide safe drinking water.
- PRI, School teachers, SHGs and local club have well aware about the safe drinking water but never act as joint effort against Arsenic free water.
- Community expectations increased towards safe drinking water/ Arsenic free water
- We are just provide knowledge, information to avoid Arsenic contaminated water but fail to provide alternative sources of drinking water.

## Activities conducted under Wada Na Todo Abhiyaan (WNTA) during 2019-20

Wada Na Todo Abhiyaan is an unregistered forum with it central secretariat at New Delhi. BVHA is the secretariat for Bihar state. About 50 members are associated with in Bihar. The main purpose is to remind the govt. time to time about their promises as per their election manifesto and to do evidence based study to send recommendations to the concerned govt. for developing need based programmes. WNTA-Bihar has carried out some limited activities in Bihar during the financial year 2019-20 as mentioned below:

 State level core committee meeting of WNTA-Bihar was held at BVHA office on 14.09.2019 at BVHA. The purpose of the meeting was to develop year plan and also to finalize the strategy to celebrate Global week of Action –To "Stand Together Now" to address Climate Change.

The members also discussed the expenses to be incurred for carrying out 7 days event and decided to develop a brief concept note with rational budget for submission at Oxfam India Office for support.

- 2. BVHA in collaboration with WNTA-Bihar, Oxfam India and Bread-Patna organized a series of activities which includes debate, drawing competition, plantation by the school students of two schools in Patna district namely Krishna Public School and Jisus Children School in the month of November 2019. About 220 students took part in competition and plantation. 100 herbal and fruit plants were planted by the students and the principles of both the schools in their campus areas.
- 3. Took part in collecting information from WNTA- Bihar members as per the format shared by WNTA central secretariat for national level advocacy.

# Emergency Health Camps for the Flood Victims in 10 Blocks of 5 Districts of Bihar

 BVHA organized emergency Health camps with support of Alkem

 Laboratories Pvt. Ltd for flood victims to provide emergency health

 services to those people who are worst victims of 2019- flood of Bihar.

 Mame of the activities planned

 Target

 Emergency Health Camps for the Flood Victims

## Major Achievements: The camp was organized with the local support of our 6 partner organization in 10 blocks of 5 districts namely Samajik Vikas Sansthan, Madhubani, Gram Vikas Parishad, Madhubani, Bihar Gram Vikas Parishad, Sitamarhi, Jagran Kalyan Bharti, Araria, Gyan Sewa Bharti Sansthan, Supaul and Ram Narayan Sewa Vikas Samiti, Darbhanga ts of Bihar. 10178 patients were treated in

70 health camps and 2322 sanitary pads were distributed

70 Health<br/>camps10178<br/>Patients<br/>treated2322<br/>Sanitary<br/>pads were<br/>distributed

## Major Challenges Faced:

to adolescent girls.

- There were no budget for the medicines distribution during the health camps however, the partners managed to purchase and distributed among the community people.

## Mobile Medical Unit Project

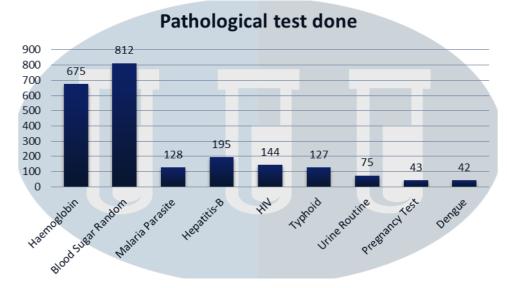

BVHA has intervened in the field of health care with the support of The Hans Foundation to provide immediate medical services to address the health needs, raise health consciousness & demand for health services from government as their right, to eliminate or lessen the dependence on quacks among the rural people of 26 villages of Maner block of Patna District.

- Major Activities Conducted during April 2019 to March 2020: The Mobile Medical unit moves in the villages as per the roster plan to provide the following services to

- Health Information and awareness on various health issues preventive measures
- Counselling for healthy habits and proper lifestyle
- Ante-natal and Post-natal check-ups (ANCs)

- Meeting with Jeevika DPM & BPM
- State Level Public Hearing on Nutrition.
- The listing of 3389 beneficiaries had been done through apps.

- Photographs (2 - 3 with caption)

## "Food Security and healthcare of disadvantaged Dalit communities, Bihar"

BVHA has been successfully implementing a project with the support of BMZ-KKS, Germanyfor Reduction of malnutrition of mother and children by improving access to nutritional food, better health services for the most marginalized communities in 10 villages of Maner. This project has completed commendable milestones in sustainable development of **Error! Not a valid link.** 

Major achievements:

Major Activities conducted during April 2019 to March 2020:

Result 1: In 10 Dalit villages basic self-help structures have been established to improve their livelihood and food security.

01SHGs Formed & 15 SHGs adopted by Jeevika. 20 beneficiaries providedTricycle & four wheeled Cart, 122 Goats distributed among 39 beneficiaries & total 35 Goat Shed constructed. 20 successful candidates of Electrician Training were provided Electrical Kit. 45 beneficiaries trained in Tailoring whereas, 44 beneficiaries provided sewing machines. 39 beneficiaries completed training of Beautician course.

Result 2: The population of the 10 Dalit communities has improved knowledge and competencies on health, hygiene and nutrition.

34 Training on SRHR & 33 Training on life skill education conducted for adolescent girls. 88 community meetings on different Govt. schemes, Growth monitoring of under 5 children, 823

children provided Nutrimix supplement after Lab Test of Nutrimix by SGS India Pvt. Ltd., Kolkata, 48 severely malnourished children sent to Nutritional Rehabilitation Centre (NRC). 10 Street Plays and 86 Mothers meeting on growth monitoring findings and IYCF conducted.0 Pictorial wall writing Information done in target villages. 18 Demo-based nutrition activities on IYCF, balance diet conducted to aware the community. 72 Health camps, 44 Baby shows conducted in the villages.

Result 3: The access to clean water has been improved in the 10 Dalit communities.

11 Handpump Installed in Ramjichak village and 04 User Committees' members oriented on handpump maintenance and 26 Hand-wash demonstration in AWCs & 15 School level hand-wash demonstration.

Result 4: Access to improved basic health services for poor families in the target region is ensured. 05 Follow-up Meeting with VHSNCs conducted. Training for youth volunteers was conducted to orient their monthly meetings of their groups.01 PRI sensitization meeting and 02 orientation of Anganwadi workers & 01 each orientation of ASHA & ANM conducted.

Result 5: Improved coordination and lobbying activities provide the necessary structural integration and support at block, district and federal state level.

01State level Consultation (workshop) with civil societies and Govt. officials on Malnutrition and 01 District level Interface meeting with Govt. officials on Dalit Grievances conducted during reporting period. 06 Coordination meeting with JEEVIKA conducted.

Achievements:

- average income of tricycle and four wheel cart has increased to Rs.5,055/- per month
- At the initial stage the average Income of tailoring beneficiaries is Rs. 1500/- per month.
- 4% reduction in Malnutrition of children (0-5 yrs.)
- 67% pregnant women have started taking sufficient meal.
- 50% lactating women started exclusive breast feeding.

Challenges faced and mitigation strategy:

- Many goats provided by the organization to the beneficiaries died during the winter season. It is also a tough work to get the claim for such deceased goats.
- Medicines provided with the support of veterinary doctor. The beneficiaries were advised to take proper care.
- Taking local contribution from the beneficiaries is a big challenge.
- They are asked to pay the amount in installments.
- Sending the malnourished children to NRC is also a challenging work. It is tough to convince the parents of malnourished children of Musahar community about the importance of Nutrimix for their children.
- They are repeatedly followed up and convinced and gradually they are understood.
- Lack of support from government programme RBSK (Rashriya Bal Suraksha Karyakram) for facilitating support to send the malnourished children to NRC.
- We use our project vehicle to send the children and their mothers to NRC.

**Activities Photographs** 

## Free Distribution of Mosquito Repellents and floor Cleaners for Charity under CSR with support of S.C. Johnson Products Pvt. Ltd.

The Vector-borne diseases (VBDs) are one of the major diseases in Bihar due to mosquito bites which carries parasites. People suffer from a significant disease burden from these diseases which is reflected in the form of morbidity and mortality from Dengue, Chikungunya, AES (Acute Encephalitis Syndrome), Japanese Encephalitis (JE), Kala-azar and Lymphatic filariasis. Generally, the high risk areas for VBDs are rural and tribal areas and urban slums inhabited by the poor, marginalized and vulnerable groups with limited access to quality health care, communication and other basic amenities in those areas. These diseases are very difficult to predict, prevent or control. For most of them there is no available vaccine.

Bihar has the maximum Kala-azar cases besides malaria and some other vector borne diseases. At the same time, Dengue has affected a large no. of people in Bihar both urban & rural areas and these dreaded disease has taken many lives including children. During the year there was a large no. of child death due to AES in Muzaffarpur and its adjacent districts in Bihar.

The prevention from insect and mosquito bites becomes more important to control vector borne diseases and other related deceases.

Bihar has had a suboptimal response to its health crises, whether arsenic poisoning or vector borne disease. People living in rural areas and slums in different places of Bihar are easy target of these diseases.

Realizing the urgent need, Bihar Voluntary Health Association (BVHA), Patna distributed various types of insect/mosquito repellants/killer, drain cleaner, floor cleaners etc directly in Maner block and LCT Ghat in Patna (One of our project operational area) and also with the support of its five network member organizations. These materials were supplied by S.C. Johnson Products Pvt. Ltd to Bihar Voluntary Health Association (BVHA), Patna. BVHA has distributed the material in some of the areas of Bihar through its network organization. Its member institutions have distributed these materials among the poor and marginalized community people of rural & slum areas and some of the flood affected areas of Bihar.

The list of the organization selected to distribute the materials are as under:

- 1. Gram Nirman Mandal. Sokhodeora, Nawada
- 2. Vikas Path Bikram, Arap, Bikram, Patna 801 104.
- 3. Gramin Samajik Vikas Samiti, Laxmipur Panchmahal, Pardarak, Barh, Patna.
- 4. Vaishali Samaj Kalyan Sansthan, At. & P.O. Bidupur Bazar, Dist. Vaishali 844 503.
- 5. Lok Prabhat, Postmortem Road, Dist. Nawada 805 110.
- 6. Samajik Vikas Sansthan, At. Pure & P.O. Ramchandra, Madhepur, Dist.Madhubani –847 408.
- 7. Chandrika Samajik Uthan Evam Gramin Vikas Sansthan Jamhor, Dist.Aurangabad-824121.
- 8. Among Dalit Families in Maner Block of Patna district and at LCT Ghat, Patna by BVHA directly.
- 9. Sewa Kendra, Patna
- 10. 150 families of Maner, Patna
- 11. 50 families of LCT Ghat, Mainpura, Patna.

Approximately 1260 families have been benefited by this various insect killer materials and floor cleaners etc.

## **Photo Gallery:**

## Comprehensive civil society response to accelerate Sexual and Reproductive Health and Rights of young people in India

Funding Organization: Amplify change Network Grants

Project Period: 2019-2020

The major activities conducted during reporting period are as follows:

#### **Baseline of Public and Private Health Facility**

Baseline was held of public health facility and as well as of private health facility at Panapur (Saran), Dalsinghsarai (Samastipur) and Laxmipur (Jamui). The study observes that there has been a break in the previous mind-sets of the adolescents where they had inhibitions in speaking on SRH related issues and concerns. As a result, SRH service seeking behavior amongst adolescent has been gradually changing over times.

#### **Baseline of Youth Leaders**

Baseline survey cum Youth leaders' Project orientation meeting held in Munger, Bhagalpur and Patna. In the baseline total 42 youth leaders had participated with the support of Restless Development. Along with KAP survey FGD also conducted. During FGD participants put up their views as follows ;Volunteers do not get any information from aanganwadi centers, Health Needs: Better access to medical facilities in hospitals, both Govt. and private, The availability of doctors and nurses are very less and no proper medical equipment are available at hospitals, Girls are generally prefer lady doctors for SRH problems and they were curious to know about the SRH problems, as before this they never discussed in an open platform.

The concluding remarks are that the society needs to understand to health problems and the facilities to avail. Many residents are not aware of the facilities they can avail from Government/private hospitals. Many times, due to shyness people don't visit hospitals for treatment especially if it is related to STI/RTI. Therefore, if the awareness campaign will take place regularly, there may be chances that people think it in positive way.

In the month of September 2019 a workshop was organized for CSOs on Organizational Policies Development. The objective of this workshop was to develop the capacities of grass root CSOs on organization policies development so that through the effective policies and its management could be attract to donor and as well as smooth functioning of organization. The outcome of this workshop was that they got the exposure and gain the knowledge on policies and its relevance. The representatives got aware about anti bribery, anti fraudulent and anti conflict policies, financial policy including sale and purchase, taxation aspects and recent amendments for CSOs.

In the month of December 2019 and January 2020 workshop was organized on Organizational Development& Coalition Building for Fund Raising. Out of 49 CSOs 50% of total Amplifychange partners participated in the December workshop and rest 50% participated in January workshop. Objective of this workshops were to develop the capacities of CSOs on organizational development& coalition building for fund raising. Outcome of this workshops were that they formed the coalitions and gain the knowledge to coalition's objective, goal, strategy and mode of operation for fund raising, knowledge about different types of data and their sources, information about the cost benefit analysis in the context of organization and how to use this in the project planning and budgeting.

#### Handholding Support to CSOs partners

Provided the draft copy of all eight policies to 15 CSOs namely Lok Prabhat, Mithila MahilaSamaj Vikash Sansthan, Chandrika Samajik Uthan Evam Gramin Vikash Sansthan, Sewa Bharti Sewapuri, Mahila Kiran Jyoti Sewa Sansthan, Azad India Foundation, The Message Welfare Foundation, RAHAT, Gram Nirman Mandal which was discussed during the Workshop held in the month of September, October, November, and December 2019 and in the month of January, February and March 2020 same exercise were done for Vaishali Samaj Kalyan Sansthan and Gramin Samajik Vikas Samiti and Deepa Devi Manav Kalyan Sansthan,Siwan respectively. Again In March 2020 Siwan visit was made to support the Siwan Gopalganj coalition for fund raising.

#### Achievement

- $\Rightarrow$  Sacred Heart Sisters Training School has approached Azim Premji Philanthropic Initiatives and got registered. They have started their work for submitting the proposal to Azim Premji Philanthropic Initiatives.
- ⇒ One of BVHA's Amplifychange partner Sarvo Prayas Sansthan from Madhubani became member of District Child Protection Committee of Madhubani after attending capacity building training programme.
- ⇒ After attending the training session Deepa Devi Manav Kalyan Sansthan received positive response from Lets Endorse facilitating partner of SIDBI for starting Swavalamban Connect Kendra under Mission Swavalamban of SIDBI for development of entrepreneurship among youth.Deepa Devi Manav Kalyan is also having dialogue with Bihar Foundation USA.
- ⇒ Members of Magadh Development Forum, coalition formed after December 2019 training initiated their dialogues among themselves and their meeting held at BVHA on 27th January 2020. In the meeting they discussed about joint proposal development and about functionaries of their network.

five villages namely as Mukhrawn, Mahila, Pariari, Konhara and Bankabahuara in Nuon block of Kaimur district of Bihar. Total 123 people primary screening & detailed examination were done in

<text><image><section-header>

BVHA Advocating for Safe Abortion Project aims to reduce maternal mortality and morbidity from unsafe abortion under the IPAS Development Foundation supported project titled- "Strengthening the network of local NGOs Bihar & UP for Advance SRHR Including Safe Abortion". The goal of the project is to strengthen the state level SRHR movement, stakeholders, media & health network/ CSOs/ NGOs for access to reproductive health services, especially for safe abortion.

Operational Partners & District: Azad India Foundation-Kishanganj, Aulia Adhatamik A Kendra-Vaishali, Bihar Gram Vikas Parishad-Sitamarhi, Samta Gram Seva sansthan-Patna, Jai Prabha Gram Vikas Mandal-Rohtas, Sewa Bharat-Banka, Sevayatan-Munger, Samajik Vikas Sansthan-Madhubani, Vikas Vihar-Saran, Yuva Kalyan Kendra-Nawada

#### **Major Achievements:**

- District level workshops: 450 participants.
- State level workshop: 85 participants
- Media workshop: 43 media personnel
- In –Depth Interview (IDI) with 60 participants.
- Focused Group Discussion (FGD) with 220 Participants
- Meeting with govt. officials: 30 Doctors and Paramedical staff.
- Orientation of Frontline Health Workers (FLW): 250 ANMs, 275 AWWs and 350 ASHAs.
- Safe abortion focused 125 news published.
- Orientation of 1050 Jeevika group members on safe abortion.

## **Major Challenges Faced:**

- Implementing Partners is not supporting properly so that BVHA always failed to submit required documents in due dates.
- Partners not very sincere regarding financial compliance of the project on due date such as Audit report, SOE, transaction details/ chaque payment and clearance of chaque within month, sharing FCRA returns (Quarterly & annually), proper maintaining of Bills/ Vouchers and timely payment of staff through A/c payee chaque.

- Time line not maintaining properly, every 2nd of the Month is reporting required such as advocacy & media scanning reports.
- Government official were not shows more interest to implement safe abortion practices as per the MTP acts.
- Media personnel's were not much aware/ sensitize to write frequent articles on safe abortion as priority basis.

## **Covid-19 Relief work by BVHA**

## Empowering Community based Organization to increase Vaccine confidence and Routine Immunization demand"

BVHA with under the support of AiH (Alliance for Immunization and Health), has initiated to utilize the available platforms of Self-Help Groups (SHGs) and VHSNC members in rural areas and Mahila Arogya Samities (MAS) in urban areas to reduce vaccine hesitancy and enhance greater community participation and promote hand washing with soap practices.

Major Activities Conducted during April 2019 to March 2020 are mentioned below.

- Identification of Partner NGO and capacity built on RI to engage with identified CBOs in states districts and block level
- Left Over, Drop Out, Resistant (LODOR) areas identified in close coordination with local government to define the NGO-CBO SBCC interventions
- Number of CBOs (SHGs) identified in 4 districts of 2 state that is Gaya and Purnea in Bihar and Dantewada and Bijapur in Chhattisgarh for capacity building for engaging with community members for RI and hand washing
- SHGs in rural and MAS in urban areas of identified Blocks in Gaya and Purnea have the capacity and capability to engage and empower community members with knowledge and skills on RI and hand washing.
- Information booths established in VHNDs and village markets to promote importance of RI and Hand washing.
- Invitation slips distributed and used by SHGs and ASHAs in selected LODOR areas

### **Major Achievements:**

- More than1400 SHGs/MAS/PRI/VHSNC members trained and built capacity for engaging with community members for RI and hand washing
- Reached to 3910 children from 0-2 years from the identified areas
- Reached More 141335 population with the information on RI and hand washing witgh soap

## Challenges faced and mitigation strategy:

- Extreme hard to reach areas in Chhattisgarh
- Due to some of the hard core extremist areas movement and mobilizing the SHG members was achallaenge
- It aws difficult to gather the SHG members at given time.

## **Empowering Community based Organization to increase Vaccine** confidence and Routine Immunization demand

BVHA has initiated a project titled-"Empowering Community based Organization to increase Vaccine confidence and Routine Immunization demand" in 13 IMI blocks of Purnea and Gaya districts of Bihar with the financial and technical support of Unicef, Patna. Two BVHA members are supporting in implementation of the project activities in these two districts namely Jagran Kalyan Bharti in Purnea and Samagra Seva Kendra in Gaya districts. This project is initiated in the month of February 2020. The goal of the project is- To utilize the available platforms of Self-Help Groups (SHGs) and VHSNC members in rural areas and Mahila Arogya Samities (MAS) in urban areas to reduce vaccine hesitancy and enhance greater community participation and promote hand washing with soap practices.

## **Extension of BVHA Membership and operation in Jharkhand State**

As per the request made by some of the earlier members of BVHA in Jharkhand state to renew their membership at BVHA, matter was discussed in the Governing Board of BVHA and the Board approved the same and decided to expand its activities/programmes and renewal of interested old members and also decided to discuss the matter in the VHAI Executive Committee for their consent. After getting the positive consent from VHAI, a one day meeting was organised at Ranchi by inviting all BVHA earlier members of Jharkhand. 34 organisations took part in the meeting. A 7 member working committee was formed to assess the health and development needs of Jharkhand and BVHA will prepare proposal and strategy on the need. It was decided that all old members of BVHA in Jharkhand state who are interested will send their request letter to BVHA for renewal of their membership at BVHA and accordingly it will be placed before the BVHA Governing Board Meeting for approval and further information.

## **BVHA's Training wings**

BVHA is working as a pioneer State Level human resource development center in the State of Bihar and stands as a center to increase knowledge's, skills and competence of individuals, institutions, group of NGOs, government and private organizations. BVHA has its own Training Course Modules mostly of *short-term* in nature. Besides having its own training courses organized in the Complex, BVHA designs, conducts and organizes various need based / tailor made *Training Programmes* for various organizations at their convenient places to cater for their training needs.

Conduct Residential	Facilitate	<b>50</b> Yrs. Experience In

Catering facilities on demand is available 24 X 7 for the participants of BVHA has also training venue facilities available at the places of its member organizations in different parts of Bihar including lodging & boarding facilities for at least 50 and more participants.

## **On request trainings**

The civil society organizations are all the time engage in implementation of different development programs which are carried out by the human resources attached to it. We all know that to address the social issues the success of any program/ organization depends on knowledge, skill and motivational level of human resource engaged with it. Sometimes, organization needs project / program based training. BVHA provides facilities for ON Request Training for Social Development. On request training can be conducted at venue arranged by inviting organization.

## **Centralized trainings**

BVHA organize centralized trainings on selected issues on the basis of current situations. These trainings are aimed to build competent human resource for organizations. These capable human resource can serve society better in effective way. BVHA schedule trainings for every year. Interested organizations / persons get registration for the particular training before 15 days of the date of training scheduled in the training calendar. Participants have to pay certain course fee for the training. Course fee may vary as per the topics / specialty of the training.

## Pre training support:

Training Need Assessment: BVHA provide services in finding the training need. We apply 3600 performance assessment which contains, interviews, field visit, record analysis, on job observation, interview with employer, monitoring of achievement vis a vis objectives. SWOT analysis is also a part of training need assessment.

Development of Module: BVHA design and follows the module which are being made as per finding of training need assessment. In special request, BVHA also develop module on specific issue and topic.

## Post training support:

Monitoring and Evaluation: After training, Participants performance appraisal depict the impact of quality training. BVHA also support in such assessments. We apply various scientific tools and techniques for post training impact assessments.

Redesign and refresher training: BVHA also conduct refresher training to update the knowledge and skills of participants. Refresher training also reply to challenges and hurdles faced by trainees while application of knowledge and skill gained during the training.

## BVHA participation in workshops/ events

The major thematic topics were emerging challenges in Public health system emerging challenges, Child Protection issues including Child Trafficking, human trafficking, child marriage, menstrual hygiene, learning from mistakes in the program, contaminated Water - Arsenic and fluorine and its effects,Public Finance Theory, Measles & Rubella, Health & Nutrition, Equal Rights for women, SRHR, Political Participation and Prevention of violence against women, family Planning status among migrant and non-migrant population of Bihar, Climate Change Adaptation and Natural resource Conservation, TB, Tobacco, child malnutrition, aneamia etc.

About 15 staff of BVHA had opportunities to participate in atleast one or more workshops to enhance their thematic knowledge.

## Study and Research:

BVHA just after the out break of AES cases in Muzaffarpur and its bordering districts, made a two days visit to Muzaffarpur with medical team. During the visit, meetings were held with the parents/families lost their child due to AES, with the Mukhia and other concerned ward members, PHC doctor, ANM and also with some of the CSO representatives working in the area on this issue and distributed 1500 glucon-D packets among the village children and families. A study report was prepared and shared with concerned health departments and other agencies working on the issue including BVHA members.

BVHA has also conducted a study on the climate change from the community people's perspective by covering all the districts of Bihar and prepared a report and shared with some of the concerned agencies with recommendations
