From the desk of

President and Secretary

Bihar Voluntary Health Association being a health pioneer organization has completed its successful 54th Year of establishment. The Annual Report 2022-23 brings you the brief understanding of our organizational progress, achievements, and the impact we have made on the lives of deprived communities in Bihar.

During the past year, we focused on health care, safe drinking water, prevention of child marriage, livelihood promotion along with strengthening the organizational development process and recognized the importance of building a solid foundation to enhance our effectiveness and maximize our impact.

Adopting the significance of technology, we undertook digital transformation initiatives. We upgraded our information systems, streamlined processes, and implemented advanced tools for data collection, analysis, and reporting. These technological advancements have enabled us to make data-driven decisions, improve efficiency, and enhance accountability to our beneficiaries and stakeholders.

Governance and transparency remained a top priority for us. We strengthened our financial management practices, ensuring compliance with regulatory requirements and best practices. We also enhanced our monitoring and evaluation mechanisms to assess the impact of our programs and make informed decisions for future interventions. Our resource mobilization and partnership development efforts yielded positive outcomes.

We extend our heartfelt gratitude to all the respected Governing Board and General Body members, all the well-wishers of BVHA for their dedicated support and contribution. We also extend our sincere thanks to all the donors, partners, and networks, dedicated employees of BVHA for their invaluable contributions, time, and trust in our mission.

As we enter the new financial year, we are wholeheartedly committed to building upon our established legacy of development, leveraging our organizational development progress to achieve an even greater impact on the communities we serve.

Massage from **Executive Director**

Dear Well Wishers,

I am delighted to share with you the Annual Report for the financial year 2022-23, showcasing the remarkable achievements of the Bihar Voluntary Health Association (BVHA). Your unwavering support has played a vital role in our journey towards addressing the healthcare needs of underserved populations in our region.

BVHA has been leading the initiative in promoting community health with a vision of "Health for All." This year, through the generous contributions from MISERIOR, Alkem Foundation, Mundo Cooperante, PATH International, SAATHII, Pathfinder International, Heifer International, UNICEF Bihar, EdelGive Foundation, Fullerton India Credit Company Ltd, TBZ, Americares India Foundation, LIC Housing Finance Ltd, and countless other kind-hearted donors, we successfully implemented a wide array of projects and programs aimed at improving health and its social determinants.

Our interventions encompass critical areas such as anaemia control, malnutrition in children, empowering adolescent girls, sustainable livelihoods, domestic violence, cataract surgeries for the elderly, family counseling, COVID-19 vaccination for differently abled individuals, respiratory and emergency care services, Arsenic mitigation and mobile healthcare services. These efforts are tailored to reach marginalized communities, ensuring that health reaches those who need it the most. Together, we are making a lasting impact in Bihar.

I am proud to announce that BVHA has been appointed as the Regional Training Institute under Kshamta Kendra by the National AIDS Control Organization (NACO), Government of India. This prestigious appointment allows us to collaborate with the State AIDS Control Societies of Bihar, Jharkhand, and Chhattisgarh to conduct comprehensive training on HIV/AIDS.

We are honoured to have been chosen as one of the 100 organizations in India for GROW 100, supported by the EdelGive Foundation. This opportunity has empowered us to enhance our organizational capacity through training and technological interventions.

In times of disaster, BVHA has consistently stood firm in providing relief and support. We express our heartfelt gratitude to Goonj and other generous donors for their timely assistance in aiding disaster victims.

I would also like to express our appreciation to the Voluntary Health Association of India, New Delhi, for their invaluable guidance and support at the national level.

I extend my deepest gratitude to all the donors, government departments, and other stakeholders whose generous support has been instrumental in the success of BVHA's initiatives. I also want to express my sincere appreciation to the members of the Governing Board, General Body, State VHAs, other INGOs, networks, alliances and the dedicated employees of BVHA, as well as all those who have contributed to our mission. It is through our collective efforts that we are making a significant difference in the lives of countless individuals.

Thank you for your unwavering and invaluable support.

Warm regards,

Swapan Mazumder

BVHA

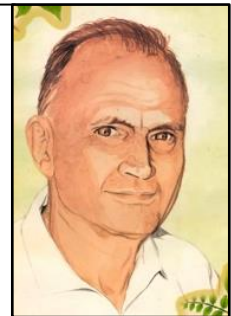

55 Years

Of interventions in
Making Health
A reality

We are

Bihar Voluntary Health Association

Bihar Voluntary Health Association (BVHA) is a registered society, registered under Societies Registration Act XXI of 1860 at Patna, Bihar. BVHA was established in 1969 by Fr. James Stuart Tong with the support of Medical Mission Sisters of Kurji Holy Family Hospital with a belief "Health - a reality for all". The idea was to create a secular association of Charitable Health Centers, Dispensaries, Hospitals and grass-root Voluntary Organizations who are engaged in Health & Health related development activities in their respective areas.

Since inception, mother and child health is prime focus of BVHA including the capacity building of CSOs /charitable hospitals/health centers to strengthen their service delivery mechanism. From mid-seventies to mid-eighties, BVHA was identified as nodal agency by Govt. of Bihar, Dept of Health for distribution of vaccines through its member CSOs/hospitals to provide services at the rural community people by maintaining proper cold chain.

BVHA is experienced in successful implementation of various community sensitization programs on health and its social determinants like community health, SRHR, menstrual hygiene, communicable and non-communicable diseases, child marriage etc. It has vast experience in creating enabling environment by convincing concerned officials, policy makers and policy implementers based on the evidences gathered from communities across Bihar. Capacity building of grass-root CSOs for its different levels of personnel as per their need and orientation of Govt. outreach frontline health service providers on various aspects are major interventions of BVHA. BVHA has direct reach to all the 38 Districts of Bihar through its network organizations.

BVHA has good experience in working with the health department of Gol and well as state govt., UN agencies mostly with Unicef and Unfpa, international and national development agencies in addressing various health and social development issues. BVHA has become a part of many network/forums/alliances to address many health and social issues jointly at various levels.

At present, BVHA works to promote community health through its state-wide network of 165 member organizations and 300 associated organizations.

Philosophy

BVHA believes that health & wellbeing is one of the most common concerns for communities of Bihar and Jharkhand hindering their development. BVHA also recognizes the existence and potential of communities, CSOs and charitable health care service providers who can play a vital role in ensuring health and wellbeing of rural and urban poor in a sustainable manner.”

Vision

“BVHA envisages “health and wellbeing” a reality for rural & urban poor of Bihar and Jharkhand.”

Mission

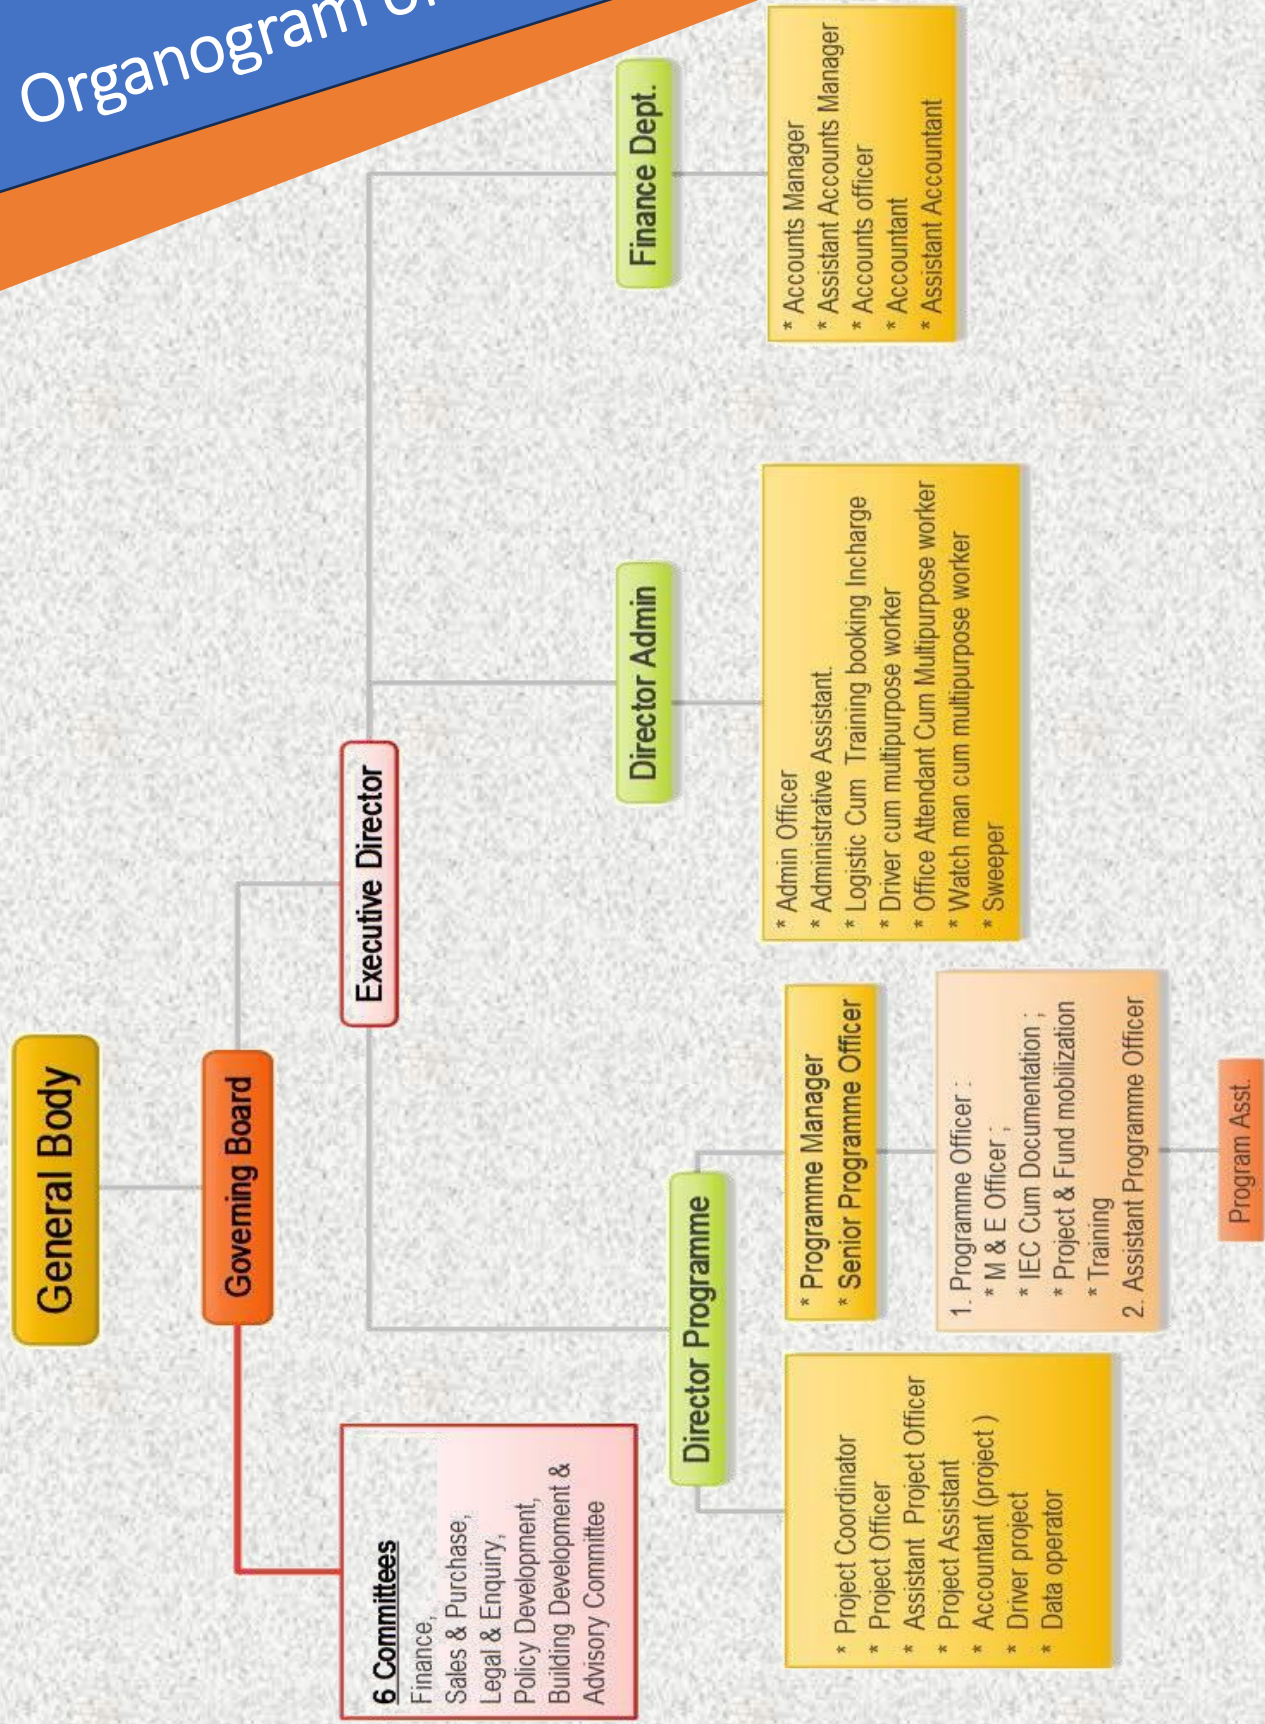

“Augmentation of preventive, promotive, curative and rehabilitative health care services for strengthening physical, emotional, mental and social wellbeing of urban and rural poor by empowering communities, CSOs & charitable Health care service providers”

Identity

BVHA will remain a registered society and would like to be a health promotion organization and collective of grassroot level CSOs & charitable Health care service providers engaged in health and wellbeing” of poor. It will continue to work on issues related to health & wellbeing that directly has an effect on the growth and development of people”

BVHA's Roles

BVHA opted for following threefold role to be played in next 5 years:

Implementation

Organization will continue to identify relevant health issues and implement projects in the most marginalized communities. Sensitize, organize, and mobilize people of village, local community level and various other levels, and interested groups particularly the poor to enable them to pursue self-development. All projects will be either implemented directly (specially in case of foreign funds).

Capacity building

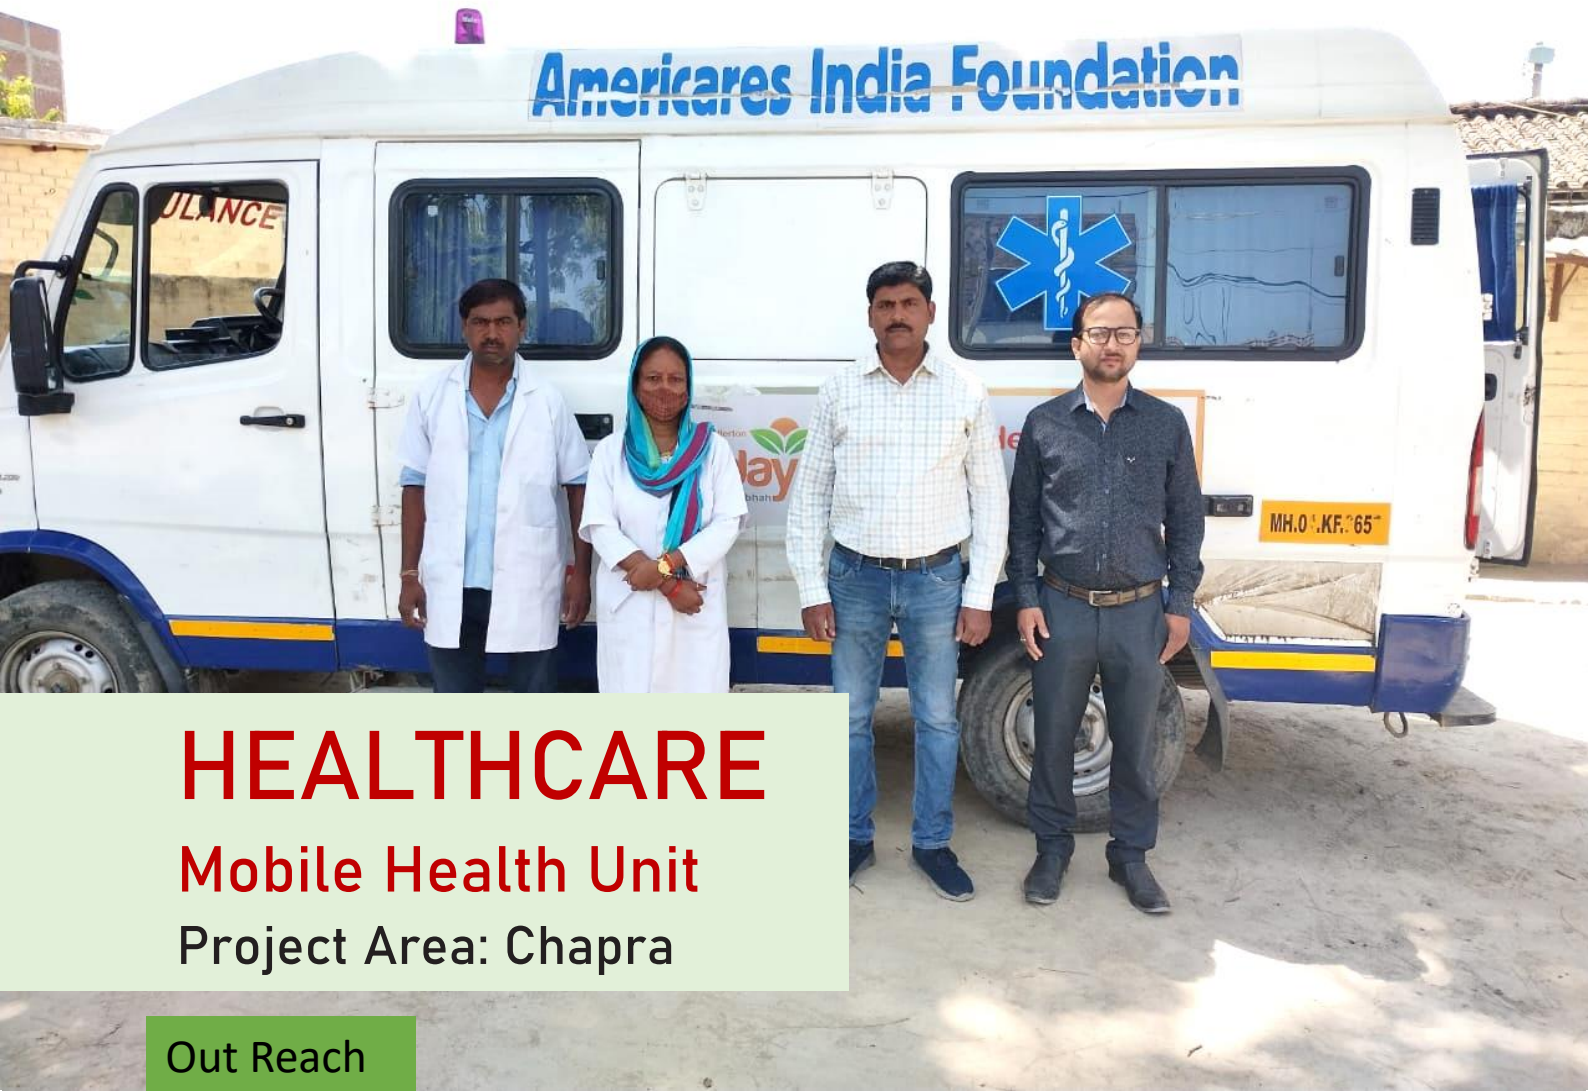

BVHA will explore and build its institutional capacity of used its core competencies and convert it into opportunity and emerge as capacity building institution in the state. Organization will tie up with CSOs and charitable Health care service providers build their capacity on relevant issues. On the other hand, it will also strengthen its member organization on organizational development.

Influencing

It is highly crucial for BVHA to start engage with Government officials and Elected representatives' influence. Organization will also create space in various government committees to influence or create push towards effective implementation of health services for poor and marginalized.

Free Health Camps

BVHA and MAX Hospital joined hands to organize a series of free health camps at BVHA. The health camps aimed to provide essential healthcare services to the local community. Over the course of the event, approximately 350 patients received medical attention and had their vital signs checked. The camps offered a wide range of services, including general check-ups, consultations with doctors, and necessary medical tests. This collaboration between BVHA and MAX Hospital successfully addressed the healthcare needs of the community, ensuring that individuals received the care they required to lead healthier lives.

Other Health Promotion Actions
BVHA recognizes the power of collaboration in promoting health actions. By partnering with other agencies and institutions, BVHA harnesses the collective strength, expertise, and resources required to address complex health issues effectively. Through collaboration, BVHA strives to foster innovation, inclusivity, and sustainability in its efforts to improve the health and well-being of individuals and communities.

Mobile Medical Unit

LIC Housing Finance has generously provided BVHA with a Mobile Medical Unit van to support health promotion initiatives. This fully equipped van (**SANJEEVANI**) includes health check-up facilities and features a BIG LCD screen with audiovisual communication capabilities for raising awareness. This collaboration enables BVHA to reach underserved communities and deliver essential healthcare services while promoting health education effectively.

State level Participatory Workshop on Health, Wellbeing and Equity

Venue: Sewa Kendra, Kurjee, Patna on 8th December 2022

Organized by Voluntary Health Association of India (VHAI) & Bihar Voluntary Health Association (BVHA). The workshop aimed to develop a clear strategy for future action based on the learnings from the COVID-19 pandemic. It will focus on three pillars: Health Promotion, Self-Care for Health and Disease Prevention, and Equity for vulnerable populations. The workshop includes modules, presentations, field experience sharing, panel discussions, and open house discussions. The goal is to collectively reflect on the future roadmap and action plan for addressing health challenges in Bihar.

BVHA organized two regional meetings for its member and network organizations in Bihar. One meeting was held for the Patna Division, including districts like Patna, Nalanda, Bhojpur, Buxar, Rohtas, and Kaimur. The other meeting focused on the Magadh Region, including Gaya, Nawada, Arwal, Jehanabad, and Aurangabad districts..

Regional Meeting

The Magadh Regional Meeting took place at Gram Nirman Mandal in Gaya, while the Patna Regional Meeting was held at the BVHA Auditorium.

The main objectives of these meetings were to strengthen regional members of BVHA, understand their specific needs, foster collaboration among Civil Society Organizations (CSOs) at the regional level, and explore opportunities for joint initiatives. The meetings also aimed to address regional requirements and improve resource mobilization, including leveraging local Corporate Social Responsibility (CSR) initiatives. Additionally, capacity building and support for regional member organizations were discussed to enhance their operational efficiency in addressing health-related needs. Approximately 40 delegates attended those meetings, including representatives from civil society organizations, charitable hospitals, and government officials. During the meetings, elections were held to select Regional Convenors and District Convenors. Regional needs were identified, and discussions were conducted on strategies to address them effectively.

NETWORKING

BVHA organizes regional meetings to strengthen its member organizations, identify regional needs, and foster collaboration among CSOs. The organization facilitates information dissemination, provides training and capacity building support, circulates e-newsletters, assists in policy development, and establishes linkages with donors and CSR initiatives.

Capacity Building of Member Organizations

Capacity Building of Member Organizations: BVHA also conducted different training and capacity building sessions for network member organizations, covering topics such as proposal development, financial management, and compliance requirements.

eNewsletter: BVHA circulates quarterly e-newsletters to its member organizations. These newsletters contain valuable information on health and development, best practices of BVHA and its members, newly launched government health schemes, and any rewards or awards received by BVHA or its member organizations during the quarter.

Network expansion in Jharkhand: BVHA has recently expanded its membership in Jharkhand, opening new avenues for networking and collaboration in the healthcare sector. With this expansion, BVHA aims to create a robust network of bilingual health professionals, bridging the language gap and enhancing healthcare accessibility for diverse communities in the region.

Important Information Dissemination: BVHA ensures the dissemination of important information through circulars and updates on government schemes and statutory compliances.

Support in Development of Organization Policies: BVHA provides support in developing necessary organizational profiles for member organizations. It also shares its own policies as references to assist in policy development.

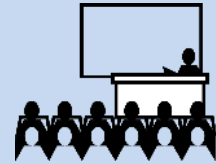

Linkages with Donors and CSR Initiatives: BVHA actively shares information on funding opportunities, CSR initiatives, and potential donors with its member organizations. The organization strives to establish linkages with different donors to facilitate collaboration and resource acquisition.

Nav Jagriti Plastic Waste Management Initiatives.

We are thrilled to bring you the latest updates on Nav Jagriti's ongoing efforts towards plastic waste management in Bihar. Over the years, Nav Jagriti have been dedicated to creating a cleaner and more sustainable environment through our initiatives. We are delighted to share that Nav Jagriti have made significant progress in our projects, thanks to the support of our partners and the tireless efforts of our team.

Project Update 1: "Rural and Urban Landscape Free of Dry and Plastic Waste"

In collaboration with CEE (Centre for Environment Education) and HDFC Bank, Navjagriti is proud to announce the establishment of a Material Recovery Facility (MRF) center in Dharampur, Samastipur, Bihar. This MRF center serves as a pivotal hub for sorting, segregating, and processing plastic waste collected from rural and urban areas. Through this project, Nav Jagriti aim to create circularity approaches for minimizing waste through better sorting and segregation of materials. This one-of-a-kind initiative is designed to partner Samastipur administration and synergize the efforts with the Municipal Corporation, State Pollution Control Boards, the Swachh Bharat Mission (SBM), the Swachh Sarvekshan Program and other stakeholders to reduce the negative impact and risks to the environment and citizen's health in India.

Key highlights of the project:

- Creation of employment opportunities for 10 Safai Mitras working at the MRF.
- Engagement of over 56 Safai Sathis in selling their dry waste from the Decentralized Waste Collection Centre (DWCC).
- Provision of basic amenities such as safe drinking water, basic sanitation, sanitary waste incinerator, bathing facility, and lockers to the Safai Mitras.
- Comprehensive insurance coverage under Group Health Insurance Schemes for all Safai Mitras and other workers in the MRF.
- Regular medical camps organized in collaboration with Samastipur Municipal corporation.
- Provision of identity cards for all Safai Mitras.

Ensuring that all Safai Mitras are covered under various social security schemes of the Bihar Government.

Project Update 2: MRF Centre in Gardanibagh, Patna.

In addition to the MRF centre in Dharampur, Samastipur, Nav Jagriti are delighted to announce the establishment of another MRF centre in Gardanibagh, Patna. This expansion allows us to extend our reach and impact in tackling plastic waste management in Bihar.

BRIEF REPORT ON WORK AND ACHIEVEMENTS OF RESEARCH INSTITUTE OF SAHNI DRUG TRANSMISSION & HOMOEOPATHY DURING THE YEAR 2022-23

Research Institute of Sahni Drug Transmission & Homoeopathy (RISDTH) was established in the year 1970 and got registered under the society registration act in 1974. The basic inspiration for establishment came from our founder Dr.B.Sahni, who is well known for his discovery in Transmission of Drug Energy from a Distance. We concentrate on the safeguard of the people against drug hazards, removing drug dependency tendency and helping with Herbal and alternative mode of treatment basically all DRUGLESS THERAPY including Remote Application of Energy Medicine of Homoeopathy. We plan to have different wings for each sector of the system. Beside to involve more people we have objectives of training, out-reach projects, and awareness programme.

SUMITRA BANDHU GYAN KAKSH

HOMOEOPATHIC SCIENCE CONGRESS 2022

During the Year 2022-23 RISDTH was able to fulfil its long awaiting dream for digital library for dissemination of information related to medicine, health and wellness among the researcher, educators, students and public at large. With the financial support received from State Bank of India as CSR funding we were able to renovate our old library with provision of well-equipped audio-visual system and documents at the cost of Rs. 21.5 lacs. This library was provided with 52 sitting capacity for conducting seminar, workshop and small group meeting. This library is now designated as SUMITRA BANDHU GYAN KAKSH. It was inaugurated on 17th January 2023 on auspicious occasion of our founder Dr. B. Sahni. Our library is well equipped with vast number of books & periodical, videos, and e-books. We have already updated our regular program of education by providing regular seminar for doctors, students separately.

A one-day online seminar was organized at Indira Gandhi Science Planetarium Patna on 19th February, 2023. International speaker Dr. Dinesh Chauhan was the chief speakers. As usual seminar was organized to commemorate the 98th Birth Anniversary of Dr B Sahni, our founder director. This seminar was inaugurated by Dr. Ramjee Singh, National President Homoeopathic Medical Association of India. Principals and faculty members of the Homoeopathic Medical Colleges were present. The seminar was attended by 500 delegates from all over the country.

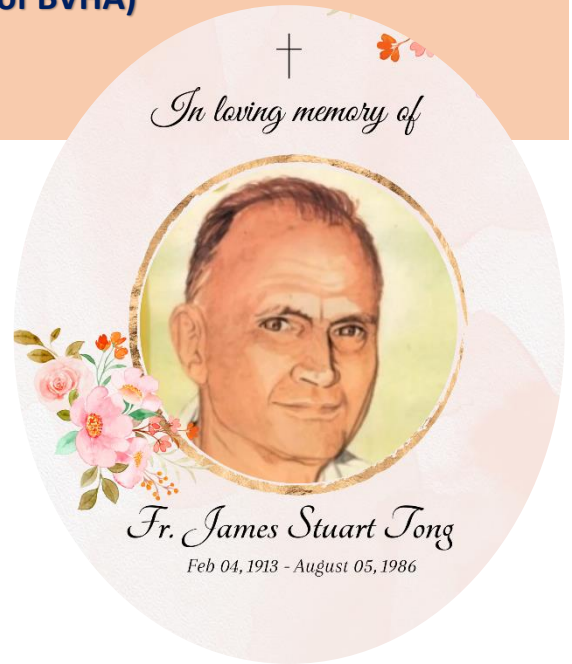

OTHER ACTIVITIES

We continued with our clinical activities as well as awareness program on prevention, management of health with emphasis on life style disorder and non-communicable diseases.

Our publication Homoeo Tarang, the quarterly bulletin is being published regularly in Hindi and English. We got the ISSN certification for Homoeo Tarang and it is now a peer reviewed journal.

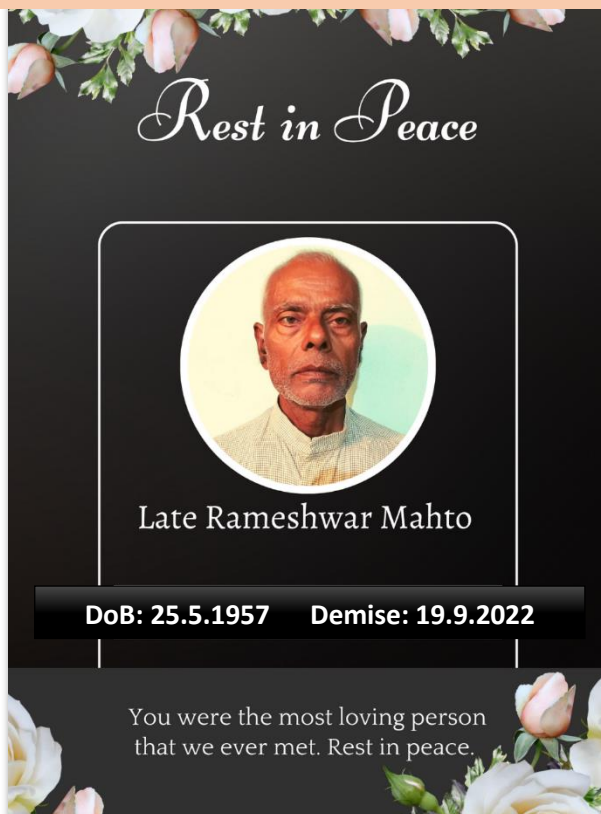

Commemorate Fr. James Stuart Tong (Founder of BVHA)

on his **Death Anniversary**

Rt. Rev. Arch Bishop of Patna speaking on the death anniversary of James Stuart Tong (Founder of BVHA) on 5th August 2022 at BVHA auditorium.

Tribute to demised BVHA's members during 2022-23

Rameshwar Mahto Jee was the founder of Samajik Vikas Sansthan, Madhubani. He was a very simple by nature and very hard core social worker. He was very active in social change movements. He always actively participated in more or less every events of BVHA. He was an acceptable social leader by the community people. Samajik Vikas Sansthan is an active member of BVHA for last 30 years.

बीआईईएस व बीवीएचए में तंबाकू नियंत्रण पर परिचर्चा

हेल्थ रिपोर्टर। पटना

तंबाकू सेवन की भयावहता ऐसी है कि 100 कैंसर मरीजों में 40 तंबाकू सेवन के कारण पाए जाते हैं। प्रत्यक्ष एवं अप्रत्यक्ष धूम्रपान से बच्चों में सांस की बीमारी तेजी से फैल रही है। इसके सेवन से ग्रास नली एवं फेफड़े का कैंसर होने का ज्यादा केस देखा जाता है। अतः इसके रोकथाम के लिए कोटपा एक्ट 2003 का सख्ती से पालन होना जरूरी है।
