We feel our pleasure to place the annual activities report of Bihar Voluntary Health Association (BVHA) for the financial year 2023-24. It is one of the best model of decentralized, democratic and accountable organizations in Bihar and Jharkhand state. Bihar Voluntary Health Association has been engaged in addressing health and other related social issues in Bihar and Jharkhand states since its establishment in the year 1969. It is working in close coordination with its member institutions, other associated institutions/CSOs, UN Agencies and government department. BVHA focuses to strengthen the capacity of the member institutions and other associated organizations, medical services, community mobilization, networking for community health promotion and creating enabling environment for channelizing timely and quality health services at the community level.

During the year, BVHA has discussed many issues and challenges and put its full effort in proper planning and effective implementation of various projects and activities. BVHA time to time does need assessment with the support of its member and other network organizations to make proper planning and accordingly share with concerned governed government officials and other concerned stakeholders.

BVHA has well developed policies and the system is governed by various policies. It prepares miles stone and accordingly develop strategies for 5 year wise to achieve it step wise step. BVHA has also working and promoting to more or more paperless work and trying to reduce carbon emission. BVHA is slowly and slowly progressing towards digitalization.

During the year, the main focuses of BVHA were on preventive, curative and promotive health. Besides that it has also focused on livelihood promotion, child marriage and child rights protection, Arsenic mitigation, Access to Health, Malnutrition and anemia control, cataract operation, plantation of trees for environment protection, disaster relief work, capacity building of Targeted intervention partners of BSACS, JSACS and CgSACS etc. BVHA is trying its level best to work very closely with the state and central government by supporting them in the implementation of their programs at the community level directly through its network partner organizations.

BVHA is always ready to provide quality services with professional touch. Slowly and slowly it is expanding its domain to work as an expert organization and information hub and moving towards self sustenance.

Hence, we are counting on your faith, trust and support as we move forward together in our journey towards empowering marginalized communities and heralding a great future that we owe to our coming generations. We expect same type support, guidance, feedback and cooperation from all in future also to serve the community as per the need and demand. BVHA Management would like to invite all of you to give your feedback and valuable suggestions to improve our work with quality output.

**Making Health A reality**

*We are*

## **Bihar Voluntary Health Association**

*Bihar Voluntary Health Association (BVHA) is a non-profit making organization established in 1969. It is an association of 167 Civil Society Organisations, charitable hospitals and health centres and more than 300 associated non-member organizations covering Bihar and Jharkhand States.*

*BVHA was formed by a visionary leader Fr James Stuart Tong SJ and Medical Mission Sisters with a noble vision to assist in making community health a reality for the people with priority to the less privileged millions. It got registered in February 1970 under the Societies Registration Act XXI of 1860 at Patna, Bihar. Since inception it is working on improving health and wellbeing of people through promotion of community health.*

*BVHA seeks to increase organizational capacities of member and network partner organizations and address health and social needs of the communities. It is one of the pioneer members of Voluntary Health Association of India. It is contributing immensely by providing impetus and direction to the community health promotion in Bihar and Jharkhand.*

*In its formative years, BVHA dedicated its efforts to fortifying the expertise of charitable hospitals and health centres which are working in remote areas. Also, BVHA played a pivotal role in assisting during natural calamities. As time unfolded, BVHA expanded its scope by initiating various interventions to address the unique healthcare necessities of marginalized individuals within society. Beyond this, BVHA empowers and enhances the capacity of CSOs to meet the health and societal requirements of their respective communities. undoubtedly, disaster response remains a paramount commitment for BVHA.*

### **Our Presence**

# Philosophy

BVHA believes that health & wellbeing is one of the most common concerns for communities of Bihar and Jharkhand hindering their development. BVHA also recognizes the existence and potential of communities, CSOs and charitable health care service providers who can play a vital role in ensuring health and wellbeing of rural and urban poor in a sustainable manner.”

# Vision

“BVHA envisages “health and wellbeing” a reality for rural & urban poor of Bihar and Jharkhand.”

# Mission

“Augmentation of preventive, promotive, curative and rehabilitative health care services for strengthening physical, emotional, mental and social wellbeing of urban and rural poor by empowering communities, CSOs & charitable Health care service providers”

# Identity

BVHA will remain a registered society and would like to be a health promotion organization and collective of grassroot level CSOs & charitable Health care service providers engaged in health and wellbeing” of poor. It will continue to work on issues related to health & wellbeing that directly has an effect on the growth and development of people”

# BVHA's Role

BVHA opted for following threefold role to be played in next 5 years:

## Implementation

Implementation: BVHA works to identify relevant health issues and accordingly design and implement projects for the marginalized communities by involving them from the designing stage. BVHA implements projects directly or some-time in partnership/collaboration with its network member organizations as per the donor's requirement.

## Capacity building

BVHA explores and build its institutional capacity time to time by using its core competencies and convert it into opportunity and has emerged as a capacity building institution in the state. Organization has tied up with CSOs and charitable Health care service providers and build their capacity on relevant issues. On the other hand, it also strengthens its member organizations on organizational development processes.

## Enabling Environment:

It is one of the important intervention area of BVHA for promotion of effective implementation of health services for poor and marginalized by engaging various stakeholders including Government officials, Elected representatives etc. Organization will also try to create space to be a part of various government committees for sharing best practices as well as helping in developing people centric services based on the present need of the community.

## Celebration of Menstrual Hygiene Day 2023

On the 28th of May, BVHA organized vibrant and impactful celebrations in the occasion of World Menstrual Hygiene Day in the operational areas. The primary objective of these events was to raise awareness among girls and the community about the significance of menstrual hygiene and the potential benefits of adopting hygienic practices during menstruation. As part of the event, BVHA also distributed sanitary pads to the girls, ensuring they had access to hygienic menstrual products. This act not only highlighted the organization's commitment to supporting girls' reproductive health needs but also served as a practical demonstration of how access to proper menstrual hygiene products can positively impact their lives.

into the mainstream through initiatives in health, education, disaster management, child marriage prevention, child labor prevention, child sexual abuse In the last financial year 2023-2024, under the expert guidance of BVHA Patna, a free health camp was organized, which was quite successful. Araria district is socially very backward. For its development, it is necessary for government institutions and civil society to work together. Regarding how to make the future of children bright, Jagran Kalyan Bharati Forbesganj started a campaign in the last financial year. Through this campaign, around 25 child marriages were successfully prevented, and under the POCSO Act, children were provided with free legal advocates in the honorable court, who assist them in legal battles.
